

## School Supplies – Upper Elementary (4<sup>th</sup>-6<sup>th</sup>):

### We prefer that these items are brought in on Registration Day.

Most school supplies are provided by the school. We do ask for a few things that are specific to your child or for your child's comfort. Please label all items sent to school.

#### Upper Elementary School Supplies:

- Two non-perishable, *I forgot my lunch* lunches—something your child enjoys that can be stored at school for a day the lunch gets forgotten, dropped, etc. Please have your child's name written on top each lunch.
- One lightweight jacket
- One Spill-Proof Water Bottle (clearly labeled)

#### In addition to the above, please have the following items at home as needed:

- One Pair of sneakers/closed-toe shoes for PE day. Do not send PE shoes to school, have your child wear them on PE day.\*
- Small Tote Bag (can be purchased at school for \$12), no backpacks. Cubby space is limited, and we need to have as much space as possible to help the children stay organized.
- Rainboots & Raincoat to wear on Rainy Day (not to store in cubby, have on hand at home)

*\*We will let you know which day to plan for PE before this special class begins.*
